About Varanasi

Varanasi is situated between two rivers i.e "Varuna and Assi", joining the river Ganges. The name has been taken from its location and it is also known as "Kashi", the Holy city. It is a city where more than thousand temples are found and is very famous for its spiritual beliefs, traditions, and Culture.

The renowned American Novelist, Mark Twain once said that "Benaras is older than history, older than tradition, older even than legend and look twice as old as all of them put together."
